

We present: The „Beer & Pretzels“ project

What are Chemists in Göttingen actually researching?

If you want to find out, visit our „Beer & Pretzels“ lectures!

These lecturers will present their field of research this semester at 6 PM c.t. in MN28 :

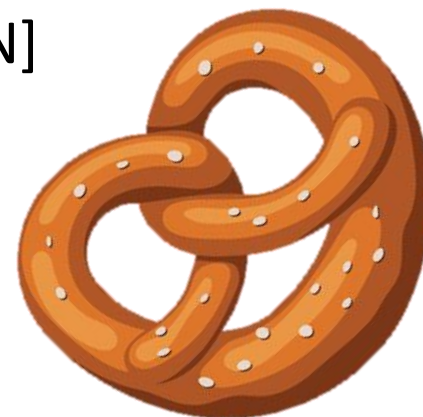

06.11.2024: Jun.-Prof. **Krawczuk** (IAC) [EN]

13.11.2024: Prof. **Alcarazo** (IOBC) [EN]

20.11.2024: Prof. **Suhm** (IPC) [DE]

27.11.2024: Prof. **Griesinger** (MPI) [DE]

As always, your physical well-being will be taken care of!
